CROWNE PLAZA®

HOTELS & RESORTS

THE PLACE TO MEET.

Hi Dean

Thanks for the report.

I attached this info. ~~for~~ to review as to why the Commission would ask to review this ~~r~~ report. The Commission was fairly inactive ~~b~~ between its conception until a couple years ago when the issue of Building 29 arose and the loss of WWII relics on Iwonski.

We are only interested in Cultural/Heritage related issues/projects - (no environmental, geologic...)
