Citizens Task Force on City Budget

Mr. Hugh Bevan

Dear Sirs

Concerning the Senior Citizens tax exemptions,  
I suggest your consideration of the following requirement  
for one to be a candidate for the exemptions:

In addition to age and minimum residence in  
Sitka, one must have paid Alaska State Income tax  
prior to Jan 1, 2016

I'm sure Alaska will have an income tax before  
the year is out but that will not count going ahead.  
This requirement will be a "Sunset clause" on  
the program as we begin to pass-on over time  
with no further entries into the program.

If you think this is worth pursuing please  
bring it up for discussion at your next meeting.

Sincerely

Ben Mitchell
