Old Business

1. Arbor Day Event - Discussed lots of options and things we have done in the past including:

Library

Hospital

Poster Contest for the school - 5th grade?

seawalk

raise the arbor day flag

Raven Radio interview

2. Goals Matrix - should include

Green space from Alice Island through town and the whole seawalk

Demonstration planting

Electrical substation at Erhler or Kramer

Ball Field

Lake and Lincoln - large forkliftable planters

Interpretive Signage

Art in the Parks

Edible Plantings

2. Tristan discussed the Plastic Bag Ordinance and we discussed our support for that Also discussed a Visitor Enhancement fund from Bed Tax. This could potentially fund the Lake/Lincoln project. 92% goes to the Chamber and 8% is not obligated. He also mentioned the replacement for the Park and Rec Director (Lynne's position) may not be replaced. Playground got a mini \$2,000 grant. It is running under SAIL. Site is tentatively set for one Tennis Court. They are looking for an architect. They are wanting a community design process, involving school children. Parking and accessibility are issues.

Respectfully Submitted by Lisa Moore

Next meeting is January 20th.
