

Candidate Statement – Benjamin Miyasato

My name is Benjamin Miyasato and I am running for Assembly. I have served on the City Assembly from 2013 through 2016 previously and from October 2017 through October 2018. I have also served on Sitka Tribe of Alaska Council from November 2011 through January 2017. Our city and our assembly needs experience to help us navigate the difficult fiscal issues that we are facing. Having served twice previously I know that I have the experience we need to get us moving forward to bring us back to a better and brighter tomorrow.

Thank you

Benjamin Miyasato
