Public Service Announcement

Repairs to the Blue Lake Road and Green Lake Road are near to completion. Status is as follows:

- Green Lake Road is **open to public pedestrian access.**
- Blue Lake Road is **open to public pedestrian access.**

These Extensive Road Repairs are being primarily funded by the Department of Homeland Security and Emergency Management (DHS&EM) as repairs from the 2015 Landslide. These repairs will allow the Electric Department to complete the dam overlook project which will lead to a re-opening of public vehicle access to Blue Lake sometime next fall. This closure is meant to ensure the safety of the public while large construction equipment is working on the narrow roads. For additional information please contact the Electric Department at 747-4000.
