### General Statement of Duties

Performs maintenance and beautification duties on parks, playgrounds, municipal building grounds and related areas; performs related work as required.

### Distinguishing Features of the Class

The principal function of an employee in this class is to maintain a clean, safe and beautiful environment in common areas within the City and Borough of Sitka. The work is performed under the direct supervision of the Building, Grounds and Parks Supervisor but considerable leeway is granted for the exercise of independent judgment and initiative. Direct supervision is exercised over the work of temporary groundskeepers. An employee in this class performs the duties of other employees in the Public Works Department or related departments as required or as assigned by supervisory personnel. The nature of the work performed requires that an employee in this class establish and maintain effective working relationships with other Department and City employees, and the public. The principal duties of this class are performed in an outdoor environment, which may involve adverse weather conditions and related hazards.
