CITY AND BOROUGH OF SITKA

Americans with Disabilities Act Accommodation Request

Employee Authorization for the Release of Medical Information

I authorize _____ (health care provider name) to release to my employer, the City and Borough of Sitka, medical information relevant to my request for accommodation under the Americans with Disabilities Act (ADA). The information will be used to determine my eligibility for workplace accommodations under the ADA and, if eligible, what reasonable accommodation(s) can be made.

I also authorize my treating physician or health care provider to speak with my employer in regard to any questions that specifically relate to my medical condition(s), the performance of my job, and any workplace accommodations.

This authorization will remain valid for 180 days after the date of my signature or earlier if revoked in writing to the City and Borough of Sitka. A facsimile, scan, or photocopy is as valid as the original.

I acknowledge that I have been informed of my right to receive a copy of this authorization request. I further acknowledge that I have been informed that if the medical information is not released, my accommodation(s) may be denied.

Employee Name (please print)

Work Telephone

Date

Notice to Medical Provider: The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member, except as specifically allowed by this law. To comply with this law, the City and Borough of Sitka, as an employer, asks that you not provide any genetic information when responding to this request for medical information. "Genetic Information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Other (please describe):

Part B: If the employee has an ADA qualifying disability noted in Part A, please answer the following questions. These questions help to determine whether a workplace accommodation is needed because of the disability.

1. What limitation(s) is (are) interfering with job performance or accessing a benefit of employment?

2. What job function(s) or benefit(s) of employment is the employee having trouble performing or accessing because of the limitation(s)?

3. How does the employee's limitation(s) interfere with his or her ability to perform the job function(s) or access a benefit of employment?

Part C: If the employee has an ADA qualifying disability noted in Part A, please answer the following questions. These questions help to determine effective, reasonable accommodation options.

1. Based on your professional judgment, do you have any suggestions regarding possible workplace accommodations that would allow the employee to perform the functions of the job? If so, what are they?

2. How would your suggestions allow the employee to perform the functions of the job?

3. Comments:

Part D: Contact Information and Signature

Health Care Provider Name (printed or typed):	Title	Telephone
Street Address	City, State	

Health Care Provider's Signature

Date

Health Care Provider: Please check if you reviewed the attached Position Description.

Statement Regarding GINA: The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member, except as specifically allowed by this law. To comply with this law, we ask that you not provide any genetic information when responding to this request for medical information. "Genetic Information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
