We are in the process of improving your sales tax experience. Currently, we only have the option to either mail or email returns. We cannot do both. Please fill out the form below if you would like to change your delivery preference to email. Everyone is defaulted to a hard copy by mail unless they opt in for the emailed version. If we do not receive the form back, you will continue to get hard copies by mail. Please write clearly and include your phone number if we have any questions.

The online filing system is still a work in progress. Once up and running, we will be able to accept payments with a card, but there will be a 3% processing fee. We will provide more details when the system is up and running!
