* On Election Day, a paper jam occurred in both precinct tabulators. In precinct #1, the voter chose not to get a new ballot. The Precinct Chair placed the ballot in a secure location to be counted on October 7. In precinct #2, the jammed ballot was not counted. Another ballot was not counted due to ambiguous marks which the Canvass Board discovered during routine audit. The Canvass Board reprocessed all precinct #2 ballots twice through the tabulator, confirmed totals, which are presented above. There are no substantial changes to the unofficial results for the Municipal Regular Election posted on October 4, 2022.

Following is a breakdown of the changes for Precinct #2:

- Nelson +2
- Chinalski +2
- Christianson +1
- Wein +1
- Guevin +2
- Mork +2
- Prop 1 NO vote +2
