WEBINAR SERIES

Sitka Community Renewable Energy Strategy

Sep
26
12 PM

Sitka's Energy: Past & Present

Bri Gabel | Sustainability Coordinator, CBS

What is Sitka's electric grid, how has it grown?
What makes Sitka's electric grid unique?
How much electricity does Sitka use today?

Oct
10
12 PM

Energy Efficiency & Conservation

Colleen Fisk | Energy Education Director, REAP

How do everyday choices influence Sitka's electric grid?
How can I benefit by conserving energy?

Oct
24
12 PM

Energy Economics

Amy Ainslie | Planning Director, CBS

Bri Gabel | Sustainability Coordinator, CBS

What impacts the cost electricity and energy?
How do I read my utility bill?

Nov
7
12 PM

Reliability, Resilience & Independence

Ron Vinson | Electric Utility Director, CBS

Amy Solana | Senior Engineer, PNNL

Michael Brown | Electrical Engineer, PNNL

How do these three areas impact the electric grid?
How can Sitka improve in these areas?

Nov
21
12 PM

Sitka's Energy Options

Amy Solana | Senior Engineer, PNNL

Andrea Mott | Research Engineer, PNNL

How much energy does Sitka need?
What types of renewable energy are
best suited for Sitka and why?
