

Greenhouse Gas Emissions Inventory Guiding Questions:

If you want to leave public comment but don't know where to start, here are some prompting questions to help get you thinking.

Is the document clear and easy to understand?

Are there areas you want more information or clarity?

Are the assumptions used to calculate emissions easy to understand?

Are there any categories/sources of emissions that are missing?

What is the most useful piece of information in the GHG emissions inventory to you?

What would make this document more useful for you?

Public Comment on Sitka's Greenhouse Gas Emissions Inventory is open until December 31st , 2024. Please submit comments to sustainability@cityofsitka.org
